

Dear All,

I hope this email finds you well.

We are excited to follow up on our initial invitation regarding the International E-Learning Material Development Competition on Women Empowerment in Sustainable Development. This unique competition is dedicated to developing impactful e-learning materials that spotlight the critical role of women in sustainable development—an area of growing importance in today’s global landscape.

The competition officially launched with an inspiring opening ceremony on September 9, 2024, featuring eight distinguished keynote speakers and experts from diverse educational and professional fields. If you were unable to attend, we are pleased to provide a recording of the event for your convenience:
